ADDENDUM

LOT 6A WINE GUARDIAN WINE COOLER

Keep your cool, preserve your passion. Preserve and protect your valuable wine investments. Place the winning bid for Wine Guardian's newest model, a Through-the-Wall wine cooling system. This sleek, contemporary design from industry leader Wine Guardian® is the quietest cooler on the market and the only brand that monitors both temperature and humidity. The Wine Guardian TTW018 conditions up to 1500 cubic feet and directly replaces WhisperKool and BreezAire units; it also includes an EasyMount™ installation sleeve. And it's made in the USA.
